Cave creek and Camp creek mining

are attracting considerable attention
just now. Several rich finds are re-

John D. Payne has returned from the

They say they know nothing of mining,
but if they have a few inches of the
kind of ore they showed they will not
need to know anything, except how to
write checks.

The June mine, of Cherokee, Mohave
county, one of the great producers of
that section before the decline of sil-
ver, is reported as having again come
to the front, and a new concentrator
has lately been ordered. It is in Mo-

where depth is attained values are en-
countered.

**Sacrificed to
Blood Poison.**

Those who have never had Blood Poi-
son can not know what a desperate con-
dition it can produce. This terrible
disease which the doctors are totally
unable to cure, is communicated from
one generation to another, inflicting its
taint upon countless innocent ones.

Some years ago I was inoculated with poison
by a nurse who infected my babe with blood
taint. The little one was
unequal to the struggle
and its life was yielded
up to the fearful poison.
For six long years I suf-
fered untold misery. I
was covered with sores
and ulcers from head to
foot, and no language
can express my feelings
of woe during those long
years. I had the best
medical treatment. Sev-
eral physicians suc-
cessfully treated me, but all
to no purpose. The mer-
cury and potash seemed to add fuel to the
awful flame which was devouring me. I was
advised by friends who had seen wonderful
cures made by it, to try DeWitt's Specific. We
got two bottles, and I felt hope again revive in
my breast—hope for health and happiness
again. I improved from the start, and a com-
plete and perfect cure was the result. S. S. S.
is the only blood remedy which reaches de-
perate cases.

Of the many blood remedies, S. S. S.
is the only one which can reach deep-
seated, violent cases. It never fails to
cure perfectly and permanently the
most desperate cases which are beyond
the reach of other remedies.

S. S. S. For the Blood

is PURELY VEGETABLE, and is the only
blood remedy guaranteed to contain no
mercury, potash, or other mineral.
